

Quarantine Picture *Scavenger Hunt*

Students and Parents,

Here is a fun activity for you at home. This might also be a great time to gather around and make the most of the situation we have before us. Please keep praying for one another, for the church and for the youth Ministry!

The rules are pretty straight forward. I'd like you to email me with most of the pictures with the objectives you attempting in the picture. In terms of video entry, you may text me, again, with the objective you are going for.

To begin the scavenger hunt, email me at JThomas@lifepointpa.org and let me know that you are joining. I will keep score throughout the week. The Scavenger Hunt begins on Sunday, March 29th and ends April 5th at 6 PM.

The student with the most points will **win a free pass to LaserDome** when we are rescheduled to go in the not so distant future.

The objectives and scores for each objective are below. So good luck, have fun and **be safe** (you know social distancing)!

I pray we will all be able to meet in person soon!
